This Competition is run as an Integrated Competition. Entries will be seeded on submitted times, the slowest time swimming first. Disability swimmers will compete in the appropriate time ranked heat.

a. Individual events

- i) All events will be Heat Declared Winner (HDW). There will be no finals.
- ii) All 200m events and the 400/800/1500m Freestyle will be swum as mixed time-seeded heats.
- iii) The heats for 800m and 1500m Freestyle events will be limited to three. To maximise the number of entries accepted the 800 m and 1500m events may be swum simultaneously.
- iv) Swimmers wishing to enter both 800m and 1500m Freestyle events will compete in the 1500m Freestyle with an official time recorded at 800m for the purposes of awards for that event. Swimmers entering both events MUST complete the full 1500m to receive a time, points and award at 800m. Failure to complete the full 1500m will result in disqualification from both events.
- v) Swimmers entered in the 1500m Freestyle only cannot be credited with points or an award from their swim at 800m. Swimmers entered in the 800m Freestyle only cannot go on to swim the 1500m distance and be credited with points or an award for that event.
- v) A competitor entered in the name of one club in individual events may not compete in the name of another club in team events.

b. Team events

- i) Clubs are limited to one team per relay event; where there are spare lanes on the day additional teams may be accepted on a first-come first-served basis on application to the Promoter.
- ii) Mixed teams shall consist of two competitors of each sex swimming in any order.
- iii) Team events may be swum in continuous series, not with separate heats by age group, as time permits.

c. Disability

Swimmers with a registered Functional Ability Card or Certificate of Swimming Disability may submit entries and will be accepted as time permits. The details of Functional Ability/Disability classification should be declared along with an entry time. The card or certificate must be presented to the Referee before any swim to which it applies.

5. Entry Times

Qualifying or consideration times have not been set for this competition. Entries will be accepted into the competition as time permits.

6. Awards & Presentations

There will be no formal presentation of individual awards. Swimmers may collect awards from the Presentation Table once the results have been published.

- a. Age Group medals for HDW events will be awarded for top three placed competitors in each of the designated male and female Age Groups.
- b. Ribbons for relay events will be awarded for first, second and third places in each of the Age Groups.
- c. For swimmers presenting a Functional Ability Card or a Certificate of Swimming Disability medals will be awarded to the top three placed competitors per event. Placing shall be determined on a multi-disability basis to the three swimmers who either break the World Record by the greater amount or are nearest to the World Record within their own classification. If less than four swimmers participate in any one event then a minus one ruling shall apply. Where only one swimmer participates in an event, then the swimmer shall be awarded a medal provided they better their entry time.

- d. An award for the 'Fastest Swim of the Championships' based on GB points for the single fastest female and single fastest male swim will be presented at the end of the Championships.
- e. An award for the 'Best Female Swim of the Championships' and 'Best Male Swim of the Championships' based on the time closest to the Masters World Record for that event/age group will be presented at the end of the Championships.
- f. A trophy for 'Top Masters Club' calculated from Club Team Points will be presented at the end of the Championships.

7. Club Team Points

Points will be awarded for Team Relays and for all individual swimmers placed first to six in their respective Age Groups as follows: 1st place = 6 points descending to 1 point = 6th place. Points will only be awarded for the fastest placed team from each Club in relay events. Team Points will be displayed at strategic times throughout the Competition.

8. Spectators

Entry will be free and subject to the limit of accommodation at the respective venue.
